

COVID-19 Donation Advisory –

First off, thank you, as always, for your continued patronage! The Thrift Shop's operations are 100% supported by our community's generous donations. Without your help, we simply could not serve our customers and honor our mission to raise funds for The Home for Little Wanderers. In these trying times, we ask that you are patient with us as we navigate through this reopening process under new guidelines.

As you can imagine, we have been receiving many donation inquiries over the past few weeks. The Thrift Shop strives to accommodate all donations, and in order to do that safely and responsibly, we have set up a few donation procedures.

[Please review our extensive list of acceptable donations. This list has been updated to include a few new items that we will no longer accept.](#) The Thrift Shop reserves the right to reject items that are unsalable, or that we do not accept as noted in the list provided.

All donations must be delivered to the back entrance. ***The Thrift Shop will no longer accept drop off donations at the retail entrance on Corinth Street.*** The back entrance is accessible from the Bank of America Parking lot, located behind the building and accessible from Washington and Cohasset Streets.

In order to honor social distancing protocols, donations will be accepted by appointment only and through our website - www.thriftshopofboston.org. To start, The Thrift Shop will accept donations on Tuesdays, Thursdays and Saturdays. As restrictions ease, the dates and timeslots will also become more readily available.

[To register a donation time, click here.](#) If you are not able to click on a specific date and time, it means that the time slot is already booked.

To schedule a furniture pickup or for any other donation inquiries, please email us at info@thriftshopofboston.org.
